OLDER VINTAGE CLARET

*These wonderful old wines represent superb value, at what is pretty much a good retail price, in a restaurant! The provenance for them is excellent, their appearance is very good & levels are impressive. Bottles from most cases have been tasted & all have proven outstanding. So why, may you ask, are we selling these extremely rare & virtually irreplaceable wines, at such ridiculous prices? Firstly it's educational, secondly it's a lot of fun & finally it must be noted that the wines will be opened at the customers risk & will NOT BE REFUNDED in the unlikely event that the wine is out of condition.**

PORT

Some of these old Port houses no longer exist; many are absurdly rare. They are opened at the customers risk & will not be refunded in the extremely unlikely event that they are for any reason out of condition. We justify this on the basis that they are extraordinarily good value & it is worth the punt to make tasting history! The provenance for all these wines is excellent.
