

BOISDALE OF BISHOPSGATE

*Swedeland Court,
202 Bishopsgate, EC2
(tel: 020 7283 1763)*

Boisdale's City sibling,
serves some of the
best food in the Square

Mile. Look out for game in season – wonderful roast grouse with braised Savoy cabbage and cured ham – to supplement the usual Scottish-biased dishes like venison Wellington with truffle-honey jus. Cubaphile Ranald Macdonald, who has just opened Floridita in Soho (see Newcomers), is your man for Montecristos and Cohibas. *£££*

Lunch and dinner Mon–Fri.
