

## London's summer pop-up bars

Summer has arrived and while we're cautiously optimistic that it's here to stay, London's restaurants and bars are shaping up to launch a series of summer bars - many of which open this week.

Whilst it's clear that our obsession with gin is still at an all-time high, it's great to see a range of concepts which celebrate summer drinks found throughout America, Italy, Jamaica and India.

Here's our pick of the best places to enjoy some summer drinking over the coming months.

### Jamaican Garden Terrace at Boisdale Canary Wharf

Over the summer Boisdale Canary Wharf are transforming their outdoor space into a 130 meter long Jamaica Garden Terrace. Taking inspiration from Portland, Jamaica the terrace has been completely 'greened-out' with tropical plants and palm trees. Guests will be treated to Jamaican rum punch and Caribbean cocktails whilst the kitchen team will be firing up the Jamaican Jerk BBQ Grill. This will dish up Jerk platters, Jamaican burgers and, in true Boisdale style – whole 1lb lobsters.

**Where:** Boisdale Canary Wharf, Cabot Place, Canary Wharf London, E14 4QT

**Runs till:** 30<sup>th</sup> August

**Drink this:** Jamaican rum punch

**Eat this:** Jamaican Szechuan pepper & chilli squid
